Although certain information has been obtained from sources believed to be reliable, neither JUST Capital nor any of its affiliates (collectively, the "JUST Parties") guarantee its accuracy, completeness or fairness. The JUST Parties have relied upon and assumed without independent verification, the accuracy and completeness of all information available from public sources.

This material, and the JULCD, is provided "as is" and the user of this material or the JULCD assumes the entire risk of any use it may make or permit to be made of this material and the JULCD. This material may not be used to verify or correct other data, to create indexes, risk models, or analytics, or in connection with issuing, offering, sponsoring, managing or marketing any securities, portfolios, financial products or other investment vehicles. Historical data and analysis should not be taken as an indication or guarantee of any future performance, analysis, forecast or prediction.

Views and opinions expressed are for informational purposes only and do not constitute a recommendation by the JUST Parties to buy, sell, or hold any security. Views and opinions are current as of the date of this presentation and may be subject to change, they should not be construed as investment advice.

The JUST Parties do not in any way sell, sponsor, support, promote, or endorse any securities based on the JULCD, or have any involvement in their operations or distribution. The JUST Parties and any other person or entity involved in or related to compiling, computing, or creating the JULCD expressly disclaim all implied representations, warranties, and liabilities relating to or in connection with any investment vehicle that seeks to provide an investment return based on the performance of any index (including, without limitation, any warranties of originality, accuracy, completeness, timeliness, non-infringement, merchantability, and fitness for a particular purpose).

No JUST Party makes any claim, prediction, warranty, or representation whatsoever, expressly or impliedly, either as to (i) the results to be obtained from the use of the JULCD or any of the data included in the JULCD, (ii) the level at which the JULCD is said to stand at any particular time on any particular day or otherwise, (iii) the suitability of the JULCD for the purpose to which it is being put in connection with any investment vehicle seeking to provide an investment return based on the JULCD, or (iv) the advisability of investing in securities generally or in any index or other investment product.

No JUST Party has provided, nor will any provide, any financial or investment advice or recommendation in relation to the JULCD. None of this material, nor the JULCD is intended to constitute any financial or investment advice and may not be relied on as such. No JUST Party shall be (i) liable (whether in negligence or otherwise) to any person for any error in the JULCD or (ii) under any obligation to advise any person of any error therein. Without limiting any of the foregoing, in no event shall any JUST Party have any liability for any direct, indirect, special, incidental, punitive, consequential (including without limitation lost profits), or any other damages in connection with the JULCD.

Index Benchmarks

The JUST US Large Capital Diversified Index is calculated and maintained by FTSE Russell using the Russell 1000 Index as a starting universe, and aims to reflect the performance of a JUST Capital Foundation Inc. methodology. FTSE Russell does not sponsor, endorse, sell, or promote any investment vehicle that is offered by any third party that seeks to provide an investment return based on the performance of any index. It is not possible to invest directly in an index.
